

Policy on Financial Assistance in membership of professional bodies for faculty

Issue Date : 09-04-2019
Version : V-1
Approved by : BOG (Agenda No.20.06-iii)

Context

Noida Institute of Engineering and Technology is a leading institution in Noida which always strives to provide quality education and empower the faculty with knowledge. The institute is committed in supporting the professional growth of faculty through financial assistance for membership in professional bodies. By investing in these memberships, the institution aims to enhance the educational experience and career prospects of its community members.

Scope

This policy will encourage and motivate the faculty members to keep themselves with the latest research and information in their specific discipline. This professional enrichment will also help them build a network with experts in their field and exchange ideas and information. The knowledge gained in the process will be transferred to the students thus helping them to be futureready professionals.

The main areas of emphasis will be:

- Membership of professional bodies of national and international repute to engage with professional bodies that enhance faculty professional development and career opportunities.
- To support participation in relevant professional networks, fostering connections and knowledge sharing.

Objectives

The policy is being framed with following objectives:

- To motivate and assist faculty members to connect with subject experts around the globe.
- To facilitate faculty access to professional memberships that align with academic and career goals.
- To promote lifelong learning and professional development through affiliation with professional organizations.
